ABOUT

The Mississippi Brawl Star's mission is to draw attention to and promote both the sport of women's flat track roller derby in the Golden Triangle area, and the power, beauty and awesomeness of women in general.

We come in all shapes, sizes, colors, backgrounds and abilities and we are all strong, beautiful, smart, tough, sexy, tenacious and capable in our own ways. Roller derby has the unique ability to showcase and proudly foster all of these characteristics in us as team members, in our personal lives and in our communities, in addition to encouraging exercise, athleticism, sisterhood, competitiveness, loyalty, dedication and hard work.

The sport of women's flat track roller derby serves as a vehicle for us to illustrate to all females that these qualities exist within themselves all while having a blast and entertaining fans of all ages in a unique way.

GET INVOLVED

Practices held every Tuesday and Thursday evenings at the "bat cave" in Columbus, MS from 6:30-8:30pm. Skates and gear will be available for new recruits who need them but you must bring your own mouth guard. All media and new recruits are welcome to join open practices. Please contact for additional information.

Roller derby is a game where offense and defense are played simultaneously. The pivot is considered the leader of the blockers and shouts out instructions to teammates as needed during the jam. The pivot adjusts the pace of the pack based on the situation. For example, the pivot may decide to speed up the pack if the jammer for the opposing team is lead jammer. Since all blockers must remain in a pack to avoid a penalty, the blockers assisting the lead jammer will attempt to slow down the pack by trapping an opposing blocker in the back of the pack.
